

Message from Mrs Kinsley As I write, the PTA are busy in the office sticking raffle tickets to all the amazing bottles and chocolates that were donated for the tombola this morning—thank you so much! We're so excited about the Fair tomorrow and incredibly grateful to Graham and the team for putting in so much effort and enthusiasm to make it a success. We hope to see as many families as possible tomorrow to have fun together and raise money for school projects. I think I'll be on Grotto duty with the big man himself, so hopefully I'll see you there!

SAFE Year 2 had an amazing adventure at the London Transport Museum today! A big thank you to all our families for supporting the trip—your trust means so much. We take pupil safety very seriously and are always happy to share our risk assessments and planning procedures with any families who would like more information. The children had a fantastic day exploring, learning, and making memories!

HAPPY What a great day we had yesterday, with our Christmas lunch and Christmas jumper day—thank you for all the coins thrown in the bucket, and donations to the NSPCC can also be made via Arbor.

Clubs for next week

We often get questions about clubs in the last week of term.. Nicole's dance, recorder and construction clubs, tennis and Centre Stage are **ALL RUNNING NEXT WEEK.** Profutures football club's last session is today, no football on Friday 19th.

We've been overwhelmed by the response to Arts and Crafts club, and so grateful to Miss Cogan for offering a second slot! Priority in Spring 2 will be given to anyone who missed out. this time—your chance will come!

**POLITE REMINDER THAT

Community Christmas Meal

Christmas cheer was in abundance at Burnt Oak on Wednesday evening when families from both schools came together for a yummy Christmas dinner and raffle. We're so grateful to Nourish catering for the wonderful food, and to all the staff who stayed and worked the whole event, including the speediest of clear ups!
